About Al-Taqwa Institute of Higher Education

Officially registered with the Government of Afghanistan in the year 2012, Al-Taqwa Institute of Higher Education is the best and leading private institute in eastern zone of Afghanistan. Over 4,000 students, 35 percent of whom are women, currently pursue diploma, and undergraduate programs. There are two faculties with four departments at AL-Taqwa; the faculty of the economics and the faculty of law and political sciences.

Besides this, Al-Taqwa Institute of Higher Education also offers diploma programs in Information Technology (DIT) and DEL (Diploma in English Language).

With an alumni network of 10,000, Al-Taqwa Institute of Higher Education is a well-known chamber in eastern Afghanistan prominent for its academic excellence. More than 400 of the institution's graduates have received high-status graduate scholarships, including Fulbright, Chevening, DAAD and more.

Al-Taqwa Institute of Higher Education's strategic endeavors are expressed in its Vision of Excellence, a five-year strategic plan (2021-2025), promoting excellence in research, faculty development, student growth and public engagement.
